FIRST STEPS AND MOST IMPORTANT INFORMATION FOR YOUR BUSINESS

**betfin**  
network

## **Hello! Welcome to Betfin Network.**

Congratulations on making a decision that can change not only your business, but your entire life. This manual is your stepping stone. A simple system awaits you that works for anyone who chooses to follow it.

With this step, you've started something that can change not only your business, but your entire life. And I'll be there to help you get the most out of it.

What will be needed?

- **Be open - get advice, you don't have to know everything right away.**
- **Be active - every step has meaning if you actually take it.**
- **Being ethical - we drive fairly and long-term.**

This isn't a quick fix. It's a system. And it's in your hands right now. Betfin is a unique and completely unique project that changes the rules of the game in business and earning, thanks to completely transparent technology with a product that is time-tested and known by everyone!

Thanks to blockchain, everything works basically automatically - payouts of revenues and rewards. No one can cancel your account or change the terms!

## **HOW MUCH DO YOU WANT TO EARN?**

Ask yourself, right now:

"How much do I want to earn regularly with Betfin?"

Write this number down. And feel free to remind yourself of it every day. Because now it's not just about vision, it's about action.

Let's get started, because here's how to do it!

## **KROK 1: STAKING!**

1. Log in to the system: betfin.network
2. There are several ways to buy: in the backoffice via swipelux / directly in metamask or at an exchange (e.g. Coinmate) buy POL (for fees) and USDT or USDC
3. Send cryptocurrencies to your wallet (e.g. Metamask)
4. On the Betfin website, exchange USDT/USDC for BET via BUY -> SWAP
5. Stake - minimum 80,000 BET
6. Divide your BETs into conservative and dynamic staking - 50/50; 20/80; 0/100 - it's up to you
7. If you are not sure - write to the person who showed you betfin = your sponsor/upline - he is there for you.

If you are unsure, ask your sponsor/upline for advice.

## **STEP 2: FIND 2 PEOPLE WHO DUPLICATE IT!**

### **HOW DO YOU SAY THAT?!**

### **CONTACT LIST = YOUR DIGITAL ASSET**

Write down 30–50 contacts. Everyone you can think of. Don't judge. Write. People you know, ideally with whom you have a good relationship.

**The bigger the list = the bigger the potential.**

This list is the foundation of your income and growth.

Your first mission: find 2 partners who will do the same thing as you.

## STEP 3: DUCK CONCEPT – YOU KNOW HOW TO INVITE = YOU KNOW HOW TO EARN

### Script that works:

“Hi [name], I hope you’re doing great.

Hey, I came across a unique project. You can easily become a co-owner of a Casino and benefit from its profits – what the casino earns. When will you find the time?”

“Hey [name], I have something for you that makes a lot of sense to me right now.

It’s a blockchain project where people make money from day one.

I want to invite you to a short presentation (online / live). You decide for yourself.

“When will you find 30 minutes?”

“Hey [name], when will you make time for me? I know how to become a co-owner of a casino and I’d love to show you! I’ve never seen anything more interesting!”

**Don’t explain. Don’t chatter. CALL.**

## STEP 4: CALLING, INVITATING

- We'll take your list and go through it together.
- We'll call together or I'll help you prepare the first calls/voicemails/messages – depending on how you work.
- Goal: invite the first 5-10 people to the presentation (Zoom, New World of Money Presentation or in person) and register the first 2 members.

## STEP 5: REGISTER YOUR FIRST 2 PEOPLE = MATCHING BONUS

Your first mission:

- 1 person on the left ● 1 person on the right
- Each with a stake of min. 80,000 BET

### How to register a new partner:

- In your online office betfin.network, click on affiliate -> binary tree -> click on "+" a window will pop up where you can enter the address that your new partner sent you and click on "mint pass".
- You do the same with the second partner, except that you put him on the other = right side of the binary tree, so that you have one on the left and the other on the right.

This unlocks the Team (Matching) Bonus = extra 8% and begins building the team and structure.

**Duplicate! = Teach it further - it's the foundation of building.**

Your account is registered on the blockchain. NO ONE can cancel, modify or block it for you. Commissions are paid automatically, IMMEDIATELY, as soon as you are entitled to them!

## STEP 6: USE THE SYSTEM AND ACTIONS

A proven and effective way to accelerate your business while learning! You're not alone!

- OC calls
- NEW WORLD OF MONEY
- Video (4min, presentation video)
- Business Training
- **Events: Team trainings, Workshops every month + big EVENTS**

Be there with your people. He who educates = earns. He who has the most people at events makes the most money.

Add a team calendar so you know what's happening when!

**[Calendar here](#)**

## **STEP 7: MAKE AN 18-MONTH COMMITMENT**

All successful people have one thing in common – DECISION. 18 months of action. Something every day, make the most of the time you have. That's why Staking lasts 18 months. Don't expect miracles in a week. You're building an asset, a business, not a part-time job.

## **STEP 8: DUPLICATE IT FURTHER**

- This manual also serves as a guide for any newcomer.
- Your job is not to do everything.
- Your job is to teach others.
- Take every new person through these steps.
- There is strength in simplicity.
